Kilderkin [kil-der-kin]

1. Noun

A unit of capacity. The kilderkin is an old Scottish unit of volume equal to half a barrel or two firkins. It is used as standard size for brewery casks. The word kilderkin comes from the Dutch for small cask.

2. Pronoun

Kilderkin is a meeting place where like-minded individuals can congregate to enjoy good food and quality drinks in a relaxed atmosphere.
